

### **Part-Time Chinese Speaking Social Worker**

Founded in 1978, The Community Advisory Program for the Elderly, known as CAPE, is a New York State Certified Mental Health Outpatient Clinic of the Samuel Field YM & YWHA located in Little Neck, Queens. CAPE provides individual and family social work and psychiatric mental health treatment to Queens residents 50 years and older. Clinic, outreach and peer support services combined provide over 9,000 units of service per year.

We are looking for two part-time (20 hour a week) bilingual social workers to provide clinical services to older adults in our satellite programs located in Senior Centers in Queens. Interested candidates must have the ability to speak either Mandarin or Cantonese. The position would involve providing individual, family and group psychotherapy, running psycho-educational groups, and assisting with outreach, assessments and linkages to services.

**REQUIREMENTS:** The clinician must be a Licensed Clinical Social Worker (LCSW) with the ability to speak either Mandarin or Cantonese and to work with a geriatric population.

### **BILINGUAL SENIOR SOCIAL WORKER**

Founded in 1978, The Community Advisory Program for the Elderly, known as CAPE, is a New York State Certified Mental Health Outpatient Clinic of the Samuel Field YM & YWHA located in Little Neck, Queens. CAPE provides individual and family social work and psychiatric mental health treatment to Queens residents 50 years and older. Clinic, outreach and peer support services combined provide over 9,000 units of service per year.

We are looking for a Senior Social Worker to oversee the day-to-day operations of satellite mental health clinics located in senior centers in Queens. The candidate must be a bilingual Spanish speaking Licensed Clinical Social Worker (LCSW) with the ability to work with older adults. Supervisory responsibilities will include serving as the liaison to senior center staff, providing clinical supervision to program staff, program planning, and overseeing the day-to-day operations of the satellite clinics. Clinical responsibilities will include providing individual, family and group psychotherapy, running psycho-educational groups, and assisting with outreach, assessments and linkages to services.

**REQUIREMENTS:** The candidate must be a Licensed Clinical Social Worker (LCSW) with the ability to speak Spanish and to work with a geriatric population.

Good compensation and generous benefit package.
